

# Portable Air Conditioner

## Features & Benefits

- Environmentally friendly, R407c refrigerant
- Does not require specialist installation.
- Built in 24 hour timer.
- Effective cooling for homes and offices.
- Double insulated cable with moulded plug.
- Hose size 125mm.

## Compact Cooling

Portable Air Conditioning units from Vent-Axia provide mobile comfort air-conditioning, de-humidifying or heating anywhere, anytime. Simply plug in and switch On. Perfect for domestic and light commercial use such as offices, shops and reception areas where permanently installed air conditioning systems may be too inflexible and expensive.

## Model

### 3 in 1 Portable Air Conditioner -

The 3 in 1 unit is a floor standing portable air conditioner, which is self contained. Does not require a separate outdoor unit or specialist installation.

- 3 in 1 - choose from cooling, dehumidifying and fan only options
- 16°C-30°C temperature setting
- 24 hour timer
- Micro-processor control
- R407C CFC free refrigerant
- 9,000 Btu/h cooling
- Double insulated cable with moulded plug
