The Vent-Axia Guarantee

Applicable only to products installed and used in the United Kingdom. For details of guarantee outside the United Kingdom contact your local supplier.

Vent-Axia Limited guarantees its products for two years from the date of purchase against faulty materials or workmanship. In the event of any part found to be defective, the product will be repaired, or at the Company’s option replaced, without charge, provided that the product:

1. has been installed and used in accordance with the instructions given with each unit.
2. has not been connected to an unsuitable electricity supply. (The correct electricity supply voltage is shown on the product rating label attached to the unit).
3. has not been subjected to misuse, neglect or damage.
4. has not been modified or opened up by anyone other than a properly trained and qualified engineer.

IF CLAIMING UNDER TERMS OF GUARANTEE

Please return the complete product, carriage paid to your original supplier or nearest Vent-Axia Centre, by post or personal visit. Please ensure that it is adequately packed and accompanied by a clearly marked ‘Guarantee Claim’ stating the nature of the fault and providing evidence of date and source of purchase.

This guarantee is offered to you as an extra benefit, and does not affect your legal rights.

As part of the policy of continuous product improvement Vent-Axia reserves the right to alter specifications without notice.
