**The Vent-Axia Guarantee**

- Applies only to products installed and used in the United Kingdom. For details of guarantees outside the United Kingdom contact your local supplier.
- Vent-Axia guarantees its products for one year from the date of purchase against faulty material or workmanship. If the product fails within this period due to faulty material or workmanship, provided that the product has been installed, used and maintained in accordance with the manufacturer's instructions, then Vent-Axia will repair or replace the product at its own discretion. Vent-Axia will not be liable for any consequential losses or damage造成的.
- The guarantee is subject to proof of purchase and is not transferable.
- The guarantee does not cover the cost of removing or installing the product or any consequential losses or damage caused by the failure of the product.
- The guarantee is subject to the product being used in its original location and not being modified or repaired by any person not authorised by the company.

**CLAIMING UNDER TERMS OF GUARANTEE**

- To claim under the guarantee, please return the product to your original supplier or nearest Vent-Axia dealer, who will arrange for the product to be returned to Vent-Axia at the company's expense. If the product is found to be faulty, then the product will be repaired or replaced at the company's discretion.
