

# UKCA Marking

## Implementation Overview

### Stage 1: Where we are now ...

- Products on the shelf CE marked
- New product ordered will come in CE marked however you will see some product coming in UKCA marked as well CE (as our work goes forward)
- No need to do anything – products can be sold as they are

### Stage 2: Jan 2023

- UKCA label mandatory
- Can be added on label
- Can be part of the label, box or instruction
- Stock on the shelves can still be sold
- Any newly delivered stock must have the relevant UKCA mark on the label box or instruction

### Stage 3: Jan 2024

- Must be placed on the product
- Stock on the shelves can still be sold
- Any new stock must have the relevant UKCA mark on the product itself

All products will also include CE label for EU and NI Sales
